Three Ways To Cast A Ballot

You have three ways to cast a ballot:

[Early Voting](#) in person

[Absentee Voting](#) by mail or drop box

[Election Day Voting](#) at your polling place

Early Voting

Georgia voters have three weeks before Election Day for early voting, including two Saturdays. Your county can also offer voting on Sunday. Runoffs have a shorter period for early voting.

You can vote at any early-voting location in your county. So, find one that is convenient and has the shortest line. Look for the [list of sites](#) in your county and their hours.
