

DANCE OUT LOUD

Bringing out the emotions, the story, and the passion of dance through the body, the mind, and the spirit while allowing the movements to cross boundaries unseen is what I strive for. This is what brings the whole person to the dance as you move with freedom.

Educating others on the joy and power of movement is what I believe. Whether it be a regimented ballet technique or just the mere ability to touch your toes, I am here to help you to showcase your ability to Move On Demand Always!

*"IMMERSE EVERY OUNCE OF YOURSELF

YOUR FEET TOUCH THE EARTH IT WILL
MAKE THE GROUND TREMBLE."*

Creative Director/Choreographer/Dancer

FROM INTENTION TO EXECUTION

Called to dance at the age of 7, my love for dance grew to become the fabric of my being. As a teacher of dance and drama for over 17 years, I have enjoyed creating dramatical dance pieces that surround the movements with a story that speaks with a loud voice.

Naturally driven with initiative, passion, and great leadership has graced me with the opportunity to dance and teach at conferences throughout Atlanta, California, Mississippi, and South Carolina.

Teaching dance allows me the opportunity to help others to show up and be great while they showcase their abilities no matter the age or body type. I am always looking to create and develop the dance into an unique experience.

My core belief is that dance is a matter of fact, it is by design, and a true work of art. I operate with rhythmic passion because dance is an art form that is a phenomenon that can speak any language and cross any border.
